As a canvasser you will generate leads, schedule inspections and act as a Kiser Construction Brand Ambassador by being the face of Kiser Construction. While canvassing, you will generate leads by canvassing neighborhoods assigned to you by your Team Leader.

You will be trained about Kiser Construction, our company mission, culture, vision, and the services we offer. You will turn over all leads to the Team Leader, and they will conduct the inspection (typically roofs, siding, gutters, and downspouts). If the lead converts to a sale, you will be paid out on that job once it's completed.

This position is commission-based, so the more you hustle, the more your earning potential will be.
